

Cale Retreat

Summers coming fast!

It's about this time every year when I write to let moms and dads know that if they want their children or teens to attend a week of summer camp, they need to send in the applications as soon as possible. Each year we are seeing more children and teens attend camp, each year more of our weeks are filling up, and each year more groups of campers are having to split up their group in the cabins or end up not getting their first choice in programming. We operate on a first come application, first serve bases with cabin buddies and programming. We do offer 3 weeks of camp for 7 to 10 year olds, 3 weeks for 10—13 year olds and one awesome week for teens ages 13—17. Our teen week is currently over half full. There is still room in all weeks right now but as the week zip by and the applications keep coming in we hope you will take the time to line up your camper/s for their week. The applications have been mailed to churches and are on our web site at www.caleretreat.org. Feel free to call Steve or Grayce with any questions! 252-264-2513 *Summers coming fast! :)*

Picture on left: During afternoon free time campers can swim, climb the rockwall, play box hockey and more but these campers choose to eat lots of cold watermelon instead :)

On right: During teen week we have great fun with awesome competition games. Here the green team learns about serving one another.

Something new has been added! Here's how you can earn some bucks for camp! This might help you, or your mom & dad, keep some cash in your pockets. For every brand new, first time camper you get to come to camp this year, you get a \$15 credit in the snack shop. SO get two new 1st time campers and you get a \$30 credit in the snack shop! With 3 new campers, get a \$45 credit. Bring 50 new campers get \$750 credit! Now that's a lot of Snicker bars. This is a chance for that younger brother or sister who is 7 or 8 to really pay off! There's always fine print so read this part! This offer is not cash redeemable, transferable, nor can it carry over to another year if you get 50 1st time campers to come with you. **The 1st time camper must let us know on their application that you are the one who said they should come.** This credit can only go to one person per new camper so the first name they write on their application gets the credit. If there is no name on their application when we receive it, then no one gets a credit. New campers may not add a name to their application while checking in for their week! We suggest campers bring \$30 for the snack shop, that's only 2 new campers :)
