Summer camp is underway! The counselors begin arriving on June 9th for two weeks of training and on June 22nd the first week of summer camp begins! We are excited about the number of campers who have signed up this year and the staff God has provided.

If you would like to receive inside info and be kept up to date on how the weeks are going feel free to email me and ask to be put on the "CALE INFO LIST". I will place your email on a list of those to whom I mail updates, prayer concerns, and the happenings of the summer. I will always send this information out using the "blank carbon copy" so no one sees anyone's email address.

Above all else, Grayce and I are asking for prayer coverage. Please pray daily for the campers safety and their hearts to be open as they hear the gospel. Pray for the counselors for wisdom, health, and stamina. Pray for Grayce and me as we lead this out reach to churched and non-churched children and youth. Thanks! Steve

WE NEED HELP!

The first week of camp needs some volunteer people in the kitchen. If you would be available for one, two, or more days please call us and let us know. The week in need is June 23rd thru the 27th. We will have the food here, the menus written out, along with everything else you will need, including LOTS of hungry campers age 7 to 10 years old. SO thanks for considering this call to serve on the mission field of Cale. My office number is 264-2513. My email address is caleretreat@inteliport.com. Thanks! Steve
