CAMP IS IN FULL SWING! Hundreds of children and youth are attending this year's summer camp at Cale. The fun has begun, and for 7 weeks we will pray that Holy Spirit has full reign to work in the hearts and minds of these campers. Thanks to the churches, Sunday school classes, groups, and individuals who have adopted a week to pray! Because of some generous donations, many scholarships were available for children to attend.

Prayer and Ground breaking date for the new conference building at Cale Retreat is scheduled for Saturday August 2nd, at 3pm. You are invited and we hope to see you here!
