

# Cale Retreat

*Come away to a quiet place and rest a while... Mark 6:31*

Another year and God has brought us another great staff. There's lots of experience in this group as most of them were once campers now turned staff. Grayce and I want to thank the WMU, WOM, and different groups from our association churches who have adopted a counselor for the summer. The cards, gifts, and prayers are greatly appreciated. They let these young people know they are serving with a lot of support. The treats are tasty too! Thank you for your support as these young people serve on the mission field of Cale.

Campers on Mission will be serving on the mission field of Cale for four weeks this summer. They come disguised as kitchen workers, but the real mission they carry out is showing the love of Jesus Christ to the staff and campers. Learning their names, giving that extra encouragement or hug as needed shows the campers love and care. Our association is extremely blessed to have this group of soldiers serve at our camp. Thanks to Bill and Carol Shutt of Rocky Hock Baptist for 10 years of dedicated service to Cale!
